190117385 Change Wafer Die Sales TXT File Information

Bulletin Issue Date: 1/17/2019   **Effective Date:**   1/17/2019

Description of Change

Silicon Labs is announcing standardization of the inkless wafer map TXT file header information:
- Change to SILICON_LABS instead of corresponding test factory name
- Change to Orderable Part Number (OPN) to reflect the part ordered instead of die part number (eg EM3591-A30-01K is die test part number and EM3591-A30-G1DI is OPN)

Change Wafer Die Sales TXT file header information:
BEFORE
KYEC
EM3591-A30-01K
W4G988-16
W4G98816.TXT

AFTER
SILICON_LABS
EM3591-A30-G1DI
W4G988-16
W4G98816.TXT

Reason for Change

Improve information to the TXT file

Disclaimer

Silicon Labs intends to provide customers with the latest, accurate, and in-depth documentation of all peripherals and modules available for system and software implementers using or intending to use the Silicon Labs products. Characterization data, available modules and peripherals, memory sizes and memory addresses refer to each specific device, and "Typical" parameters provided can and do vary in different applications. Application examples described herein are for illustrative purposes only. Silicon Labs reserves the right to make changes without further notice and limitation to product information, specifications, and descriptions herein, and does not give warranties as to the accuracy or completeness of the included information. Silicon Labs shall have no liability for the consequences of use of the information supplied herein. This document does not imply or express copyright licenses granted hereunder to design or fabricate any integrated circuits. The products are not designed or authorized to be used within any Life Support System without the specific written consent of Silicon Labs. A "Life Support System" is any product or system intended to support or sustain life and/or health, which, if it fails, can be reasonably expected to result in significant personal injury or death. Silicon Labs products are not designed or authorized for military applications. Silicon Labs products shall under no circumstances be used in weapons of mass destruction including (but not limited to) nuclear, biological or chemical weapons, or missiles capable of delivering such weapons.
